Benefit Features for
State of Michigan – State Preventive Dental Plan
Group #8700 (Active) & #8800 (COBRA)**

Delta Dental PPO (Point-of-Service) is a national point-of-service preferred provider organization administered by Delta Dental of Michigan. You can go to any licensed dentist, but you could increase your benefits and lower your out-of-pocket costs by going to a Delta Dental PPO dentist. If you do not go to a Delta Dental PPO dentist, you will have additional access to dentists who participate in Delta Dental Premier®, our carefully managed fee-for-service program. However, you might have to pay more. If you visit a dentist who does not participate in any of Delta Dental’s programs, you will be responsible for the difference between Delta Dental’s payment and the nonparticipating dentist’s fee, and you may need to file your own claims.

This amount may be less than what the Dentist charges or Delta Dental approves and you are responsible for that difference.

The level of dental coverage is determined by the provider you choose. To verify a dentist is a participating dentist, you can use Delta Dental’s online Dentist Directory at deltadental.com/us/en/member/find-a-dentist.html or call (800) 524-0150.
