

Dental coverage at a glance

Michigan Public School Employees' Retirement System

With your retirement system's dental plan, which is administered by Delta Dental, you are welcome to go to the dentist of your choice: a Delta Dental PPO™ dentist, a Delta Dental Premier® dentist or a nonparticipating dentist. However, your cost will likely be lowest when you go to a Delta Dental PPO dentist.

Delta Dental PPO dentists—Your dental plan is designed to offer the maximum benefit with the lowest out-of-pocket expense when you use Delta Dental PPO dentists. Delta Dental PPO dentists agree to accept Delta Dental's PPO approved amount as payment in full for covered services. You are only responsible for your coinsurance.

Delta Dental Premier dentists—Many dentists who are not part of the Delta Dental PPO network may be in the Delta Dental Premier network. You may still save money when you use a Delta Dental Premier dentist, but you will be responsible for your coinsurance plus any additional costs for using a dentist outside the Delta Dental PPO network.

Nonparticipating dentists—Dentists who do not participate with Delta Dental do not have an agreement to accept Delta Dental's approved amounts. Nonparticipating dentists will likely cost you the most money. When you use providers that do not participate with Delta Dental, you are responsible for paying your coinsurance plus any additional costs up to the dentist's charge.

Deductible—Your dental plan has a \$50 annual deductible per person. This deductible is waived for all services when you go to a Delta Dental PPO provider. For Delta Dental Premier and nonparticipating dentists, the deductible is waived for diagnostic and preventive services and is applied to basic and major services.

Because the deductible is waived for Delta Dental PPO dentists and they agree to accept Delta Dental's PPO approved amount as payment in full for covered services, you will save the most money with a Delta Dental PPO dentist.

Major restorative (crown) payment example (with deductible added):

	CHARGE	APPROVED AMOUNT ⁺	ALLOWED AMOUNT ⁺⁺	MEMBER COST SHARE			AMOUNT YOU PAY
				DEDUCTIBLE	COINSURANCE (Percent of Delta Dental PPO approved amount)	ADDITIONAL COST	
Delta Dental PPO	\$1,400	\$896	\$896	\$0	+ \$224 (25% of \$896)	+ \$0	\$224
Delta Dental Premier	\$1,400	\$1,070	\$896	\$50	+ \$211.50 (25% of \$846*)	+ \$174 (Difference between Delta Dental PPO and Delta Dental Premier approved amount)	\$435.50
Nonparticipating	\$1,400	\$1,400	\$896	\$50	+ \$211.50 (25% of \$846*)	+ \$504 (Difference between Delta Dental PPO approved amount and dentist's charge)	\$765.50

With a Delta Dental PPO dentist, you are only responsible for your coinsurance and your deductible is waived. With a Delta Dental Premier dentist, you owe your deductible (applies to basic and major services only), your coinsurance and the difference between the Delta Dental PPO approved amount and the Delta Dental Premier approved amount. With a nonparticipating dentist, you owe your deductible (applies to basic and major services only), your coinsurance and the difference between the Delta Dental PPO approved amount and the dentist's charge.

⁺Approved amount—amount provider agrees to accept.

⁺⁺Allowed amount—amount used to calculate plan and patient payment.

*Delta Dental PPO approved amount minus the \$50 deductible.
