B. **Appeal**—The process of

seeking reconsideration of an Adverse Benefit Determination.

- C. **Benefits**—Payment for the Covered Services under the Certificate.
- D. **Care Coordinator**—A Care Coordinator helps assist the Enrollee in coordinating services. The Care Coordinator coordinates services between settings of care, services from another health plan or physician, and services the Enrollee receives from community and social support providers.
- E. **Certificate of Coverage (Certificate)**—This document. It describes Enrollees’ and Delta Dental’s rights and duties.
- F. **Claim**—A request for payment for a covered service. Claims are not conditioned upon Your seeking advance approval, Certificate, or authorization to receive payment for any covered service.
- G. **Completion Date**—The date that treatment is complete. Some procedures may require more than one appointment before they can be completed. Treatment is complete:
 - For dentures and partial dentures, on the delivery date.

- For crowns and bridgework, on the cementation date.
 - For root canals and periodontal treatment, on the date of the final procedure that completes treatment.
- H. **Copayment**—The percentage of the charge, if any, that You must pay for Covered Services. There are no Copayments for Covered Services under this Certificate.
- I. **Covered Services**—The unique dental services selected for coverage as described in, and subject to, this Certificate.
- J. **Delta Dental**—Delta Dental Plan of Michigan, Inc., a nonprofit dental care corporation. Delta Dental Plan of Michigan, Inc. is not a commercial insurance company.
- K. **Healthy Kids Dental Administered by Delta Dental**—The Delta Dental-administered network for Healthy Kids Dental, an MDHHS program that provides dental Benefits to Medicaid Enrollees under the age of 21.
- L. **Dentist**—A person licensed to practice dentistry in the state or jurisdiction in which dental services are performed.
1. **Delta Dental HKD Dentist**—A dentist who has signed an agreement with Delta Dental to provide dental services to Enrollees. Delta Dental HKD Dentists may be referred to as “participating dentists.”

- M. **Deny/Denied/Denial**—When a Claim for a particular service is refused for payment due to certain contractual Limitations/exclusions. Your dentist submits the proposed dental treatment to Delta Dental in advance of providing the treatment.
- A Pre-treatment Estimate is for informational purposes only and is not required before You receive any dental care. It is not a prerequisite or condition for approval of future dental Benefits payment. You will receive the same Benefits under this Certificate whether or not a Pre-treatment Estimate is requested. The Benefits estimate provided on a Pre-treatment Estimate notice is based on Benefits on the

- date the notice is issued. It is not a guarantee of future dental Benefits or payment. Availability of dental Benefits at the time Your treatment is completed depends on several factors. These factors include, but are not limited to, Your continued eligibility for Benefits, the status of Your dentist, any coordination of Benefits, this Certificate's Limitations and any other provisions, together with any additional information or changes to Your dental treatment. A request for a Pre-treatment Estimate is not a Claim or a Prior Authorization, preauthorization, precertification or other reservation of future Benefits.
- W. Prior Authorization**—The process by which an Enrollee must request, and a dental plan provides, approval of an Enrollee's treatment before the treatment is rendered. Prior Authorizations are not required for Delta Dental HKD members.

- Y. Reasonable Accommodation**—Under the Americans with Disabilities Act, a federal law that prohibits discrimination in access to services and employment against persons who are disabled, a disabled individual has a right to Reasonable Accommodation to facilitate access to a dental office and appropriate dental treatment. Reasonable Accommodation may involve removing physical barriers, modifying an office policy or procedure that limits access to a disabled person, or providing auxiliary aids and services, such as sign language interpreters, assistive listening devices, large print materials, etc.
- Z. Specialist**—A licensed dental Specialist that focuses on a specific area of dentistry or a group of patients to diagnose, manage, prevent or treat certain types of dental symptoms and conditions.
- AA. Submitted Amount**—The amount a dentist bills to Delta Dental for a specific treatment or service. A participating dentist cannot charge You for the difference between this amount and the approved fee.

AB. **“You”/“Your”**—Refers to the Enrollee or the parent/guardian of the Enrollee, as the context requires.

for help finding a dentist. If You have a dental emergency outside of Michigan, HKD administered by Delta Dental

will cover the service even if the dentist is not a Delta Dental HKD Dentist. A Prior Authorization is not needed for emergency services.

Nonparticipating Dentists

Early Periodic Screening, Diagnosis and Treatment (EPSDT)

To ensure that children and Young adults who qualify get the medical care they need, Medicaid created the Early Periodic Screening, Diagnosis and Treatment program (EPSDT). EPSDT is Medicaid's health coverage for children under age 21 and provides well-child dental and follow up services for Enrollees. Talk to Your Delta Dental HKD Dentist to learn more about EPSDT.

Federally Qualified Health Centers (FQHC) and Rural Health Clinic (RHC)

You may choose to get services from mobile dental services and/or SEAL! Michigan dental services. You do not need Prior Authorization or a referral. Services are subject to the coverages and Limitations set forth in this Certificate.

Pre-treatment Estimate

A Pre-treatment Estimate is not required to receive payment, but it allows Claims to be processed more efficiently and allows You to know what services may be covered before Your dentist provides them. You and Your Delta Dental HKD Dentist should review Your Pre-treatment Estimate notice before treatment. Once treatment is complete, the dental office will submit a Claim to Delta Dental for payment.

Written notice of Claim and time of payment

Because the amount of Your

Benefits is not conditioned on a Pre-treatment Estimate decision by Delta Dental, all Claims under this Certificate are post-service Claims. Once a Claim is filed, Delta Dental will adjudicate it within 30 days of receiving it. If there is not enough information to adjudicate Your Claim, Delta Dental will notify You or Your dentist within 30 days. The notice will (a) describe the information needed, (b) explain why it is needed, (c) request an extension of time in which to decide the Claim, and (d) inform You or Your dentist that the information must be received within 45 days or Your Claim will be Denied if the services were performed by a Nonparticipating Dentist, or Disallowed if the services were performed by a Delta Dental HKD Dentist. You will receive a copy of any notice sent to Your dentist. Once Delta Dental receives the requested information, it has 15 days to adjudicate Your Claim. If You or Your dentist does not supply the requested information, Delta Dental will Deny Your Claim if the services were performed by a Nonparticipating Dentist, or Disallow Your Claim if the services were performed by a Delta Dental HKD Dentist. Once Delta Dental adjudicates Your Claim, it will notify You within five days.

If the Delta Dental HKD Benefits do not cover a service that You would like Your dentist to provide, You must pay for that service.

Covered Services requiring multiple visits

In the event a covered service requires more than one (1) visit with Your dentist, payment for the covered service will be rendered upon the Completion Date.

Premiums

All Enrollee premiums are paid by the MDHHS. Enrollees are

not responsible for payment of premiums to Delta Dental.

Section 7: Appeals and Grievances

Grievances

If You would like to file a Grievance (also called a complaint), You can call Delta Dental customer service at 866-696-7441 or send Your Grievance in writing to:

Delta Dental
Attn: HKD Grievances
PO Box 9230
Farmington Hills, MI 48333-9230
Fax: 517-706-3513

Please be sure to include a full explanation of Your Grievance in Your letter. Delta Dental will investigate Your Grievance and respond to You within 60 days of receiving Your complaint. If Your complaint involves the quality of care provided by a Delta Dental HKD Dentist, Delta Dental may refer the problem to the Michigan Dental Association Peer Review Committee. When the review is completed, You will be notified of the result in writing within 15 days

Appeals

You have the right to ask Delta Dental to review an Adverse Benefit Determination by requesting an internal appeal. You can request an internal appeal within 60 calendar days of

the date of the Adverse Benefit Determination. Additional time may be provided upon good cause shown. If Your internal appeal is requested orally over the phone by calling customer service at 866-696-7441 (TTY users call 711), Delta Dental must receive Your internal appeal in writing before it is able to process Your appeal.

If the appeal is regarding a stoppage or reduction of a service, the service will continue uninterrupted pending resolution of the appeal provided that You request the internal appeal within 10 calendar days of the date of the Adverse Benefit Determination or before the service is stopped or reduced, whichever is later. You can ask for this internal appeal by calling customer service at 866-696-7441 (TTY users call 711) or following the steps below to send your appeal in writing. You could be responsible for the cost of these services if the Adverse Benefit Determination is upheld.

Step 1:

You, Your representative or Your dentist (provider) must ask for an internal appeal. Your written request must include:

- Your name
- Address
- Delta Dental HKD ID number
- Reasons for appealing

- Any evidence You want Delta Dental to review, such as medical records, dentists' letters or other information that explains why You need the item or service. Call Your dentist if You need this information.

We recommend keeping a copy of everything You send with Your appeal for Your records. You can ask to see, free of charge, all documents, records and other information that Delta Dental relied upon to make the Adverse Benefit Determination before or during the appeal. At no cost to You, You can also ask for a copy of the guidelines Delta Dental used to make the Adverse Benefit Determination.

Step 2:

Mail or fax Your appeal to:

Delta Dental

Attn: HKD Appeals

PO Box 9230

Farmington Hills, MI 48333-9230

Fax: 517-706-3513

Delta Dental will provide You with a written decision regarding Your appeal within 30 calendar days of receipt. If Delta Dental upholds its decision or You do not receive a timely decision, You can ask for a State Fair Hearing from the Michigan Administrative Hearing System. You can also ask for an external review under the Patient

Right to Independent Review Act (PRIRA) from the Michigan Department of Insurance and Financial Services. Your written decision will give You instructions on how to request a State Fair Hearing and external review.

Expedited appeal

If You have an urgent situation where taking the time for a standard internal appeal could seriously jeopardize Your life, health or ability to attain, maintain or regain maximum function, You can request an expedited appeal by calling the Delta Dental customer service number. If the situation is urgent and requires an expedited appeal, Delta Dental will respond within 72 hours.

State Fair Hearing

You must file an internal appeal with Delta Dental before asking for a State Fair Hearing. You have 120 calendar days from the date of Your appeal Denial notice to ask for the State Fair Hearing. A Request for Hearing form will be included with the notice of appeal decision that You receive from Delta Dental. It also has instructions that You should review.

Step 1:

You, Your representative or Your dentist (provider) may ask for a State Fair Hearing after You have appealed to Delta Dental and

received Delta Dental’s written appeal decision. You can also ask for a State Fair Hearing if You do not receive a decision from Delta Dental within the required timeframe. Your written request must include:

- Your name
- Address
- Delta Dental HKD ID number
- Reasons for requesting a State Fair Hearing
- Any evidence You want the administrative law judge to review, such as medical records, dentists’ letters or other information that explains why You need the item or service. Call Your dentist if You need this information.

Step 2:

Send Your request to:
Michigan Administrative Hearing System (MAHS)
PO Box 30763
Lansing, MI 48909
Phone: 800-648-3397
Fax: 517-763-0146

Step 3:

The Michigan Administrative Hearing System (MAHS) will schedule a hearing. You will get a written “Notice of Hearing” telling You the date and time. Most hearings are held by telephone, but You can ask to have a hearing in person. During the hearing, You will be asked

to tell an administrative law judge why You disagree with Delta Dental’s decision. You can ask a friend, relative, advocate, provider or lawyer to help You. You will get a written decision within 90 calendar days from the date Your Request for Hearing was received by MAHS. The written decision will explain if You have additional appeal rights.

If the standard time frame for review would jeopardize Your life or health, You may be able to qualify for an expedited (fast) State Fair Hearing. Your request must be in writing and clearly state that You are asking for an expedited State Fair Hearing. Your request can be mailed or faxed to MAHS (see address and fax number for MAHS above). If You qualify for an expedited State Fair Hearing, MAHS must give You an answer within 72 hours. However, if MAHS needs to gather more information that may help You, it can take up to 14 more calendar days.

If You have any questions about the State Fair Hearings process, including the expedited (fast) State Fair Hearing, You can call MAHS at 800-648-3397.

Patient’s Right to Independent Review Act (PRIRA)

You may also be eligible to request an external review if You

have completed Delta Dental's internal appeal process or Delta Dental has failed to complete the internal appeal process within the allowable time. Within 127 days of Your receipt of a final appeal decision from Delta Dental, You may submit a request for external review to the Michigan Department of Insurance and Financial Services (DIFS), PO Box 30220, Lansing, MI 48909-7720. For questions about Your external review rights, You may contact DIFS at 877-999-6442, visit <https://difs.state.mi.us/Complaints/ExternalReview.aspx>, or write to DIFS/Michigan Health Insurance Consumer Assistance Program, PO Box 30220, Lansing, MI 48909.

How does someone else act on my behalf?

When You appeal, You can name a relative, friend, attorney, doctor or someone else to act as Your representative. Both You and the person You want to act for You must sign and date a statement confirming the representation. You will need to mail or fax this statement to Delta Dental with Your appeal. Keep a copy for Your records.

Section 9: Enrollee Responsibilities

As a Delta Dental HKD Enrollee, You are responsible for:

Section 10: Termination

Enrollees will be disenrolled from HKD administered by Delta Dental if the Enrollee:

1. Loses Medicaid or

CHIP eligibility.

2. Reaches the age of 21 years.
3. Moves out of the State of Michigan.
4. Is disqualified due to other administrative reasons including, but not limited to, death and incarceration.

When You lose coverage, the Delta Dental HKD Benefits cover dental services up to the last day of the month in which eligibility is lost. Therefore, Delta Dental HKD Benefits coverage will end on the last day of the month in which You turn 21 and/or on the last day of the month in which the MDHHS tells Delta Dental that Your Delta Dental HKD Benefits coverage ends.

Benefits after coverage terminates

Sometimes You start a covered service that can only be completed after a series of visits. If You lose coverage before the covered service is completed, You will still receive Benefits for the covered service if it is completed within 60 days from the date that You lost coverage.

Termination of coverage

Delta Dental may initiate special disenrollment requests to the MDHHS if the Enrollee acts in a violent or threatening manner, which acts do not result from

the Enrollee's special needs as prohibited in the discrimination section of this Certificate. Violent/threatening situations include, but are not limited to, physical acts of violence, physical or verbal threats of violence made against Delta Dental, Delta Dental HKD Dentists or their staff, the public, and stalking situations.

Section 11: Coordination of Benefits

Coordination of Benefits (COB) refers to the method of determining how Benefits are paid when You are covered by more than one health care plan. The primary plan is responsible for paying the full benefit amount allowed by the Enrollee's contract with that plan. The secondary plan is responsible for paying any part of the benefit not covered by the primary plan as long as the benefit is covered by the secondary plan. The secondary plan adjusts the amount of Benefits paid so that the total Benefits available to the member for the covered service will not exceed the Enrollee's actual dental bills. The total paid by both plans may provide payment up to, but not exceeding, Delta Dental's benefit amount. The amount that either

plan is required to pay is known as its “liability.”

We will coordinate Benefits with the following types of plans:

1. Group insurance, or any other arrangement of coverage for individuals in a group, whether on an insured or uninsured basis, including government programs such as Medicare (but not including specialty plans such as dental or disability insurance)
2. Automobile insurance required by law and provided through arrangements other than those described in the list below, but only to the extent that automobile insurance law requires Benefits

The Delta Dental HKD benefit is always the secondary plan. The primary plan must first pay for Covered Services as required under the terms of its contract before Delta Dental will pay for any Covered Services. Medicaid is always the payer of last resort. All other insurance must be billed first.

Additional rules for coordination of Benefits when Delta Dental is the secondary payer:

1. A primary payer, as determined above, must

provide its covered Benefits without considering the coverage afforded pursuant to this Certificate of Coverage.

2. If a primary payer does not cover services that Delta Dental covers, those services will be covered as if Delta Dental is the primary payer.
3. If Delta Dental covers services not fully covered by a primary payer, Delta Dental will coordinate its coverage with the primary payer’s coverage to pay up to 100 percent of the Medicaid allowable expenses or Delta Dental’s contracted rate, whichever is less, for those services.
4. Except as explained above, Delta Dental is not required to pay Claims or coordinate Benefits for services that are not provided by a Delta Dental HKD Dentist, or services which are not listed as Covered Services, unless otherwise stated in this Certificate.

Right of recovery

If the amount of the payments made by Delta Dental is more than it should have paid under this COB provision, Delta Dental may recover the excess from one or more of the persons it has paid or

for whom it has paid, or any other person or organization that may be responsible for the Benefits or services provided for the Enrollee. Payment includes the reasonable cash value of any Benefits provided in the form of services.

Subrogation

If the Enrollee has a right of recovery from any person or entity for the Enrollee's injury or illness, except from the Delta Dental HKD Enrollee, the Enrollee, as a condition to receiving Covered Services under this Certificate, must do the following:

- Pay or assign to Delta Dental all sums recovered by Enrollee from any suit, settlement or otherwise for the injury or illness, up to the amount of the Benefits that Delta Dental paid as a result of the injury or illness, but not in excess of monetary damages collected
- Authorize Delta Dental to be subrogated to the Enrollee's rights of recovery, including the right to bring suit in the Enrollee's name, at the sole cost and expense of Delta Dental, up to the amount of the Benefits that Delta Dental paid as a result of the injury or illness

Section 12: General Provisions

- A. **Entire contract; changes:** This Certificate, and any amendments or attachments, constitutes the entire agreement between You and Delta Dental. No change in this Certificate will be effective until approved in writing by an officer of Delta Dental. This approval must be noted on or attached to this Certificate. No agent may change this Certificate or waive any of its provisions.
- B. **Time limit on certain defenses:** A material misstatement by You in any application for coverage under this Certificate may be used to void this Certificate or to Deny a Claim. This action may be taken in the first two years of Your coverage. After the two-year period, this action may be taken only for a fraudulent misstatement and/or nonpayment of premium.
- C. **Legal actions:** You cannot bring an action on a legal Claim arising out of or related to this Certificate unless You have provided at least 60 days' written notice to Delta Dental, unless prohibited by applicable state law. In addition, You cannot bring an action more

than three years after the legal Claim first arose or after expiration of the applicable statute of Limitations, whichever is shorter.

- D. **Governing laws:** This Certificate is governed under the laws of the State of Michigan and any applicable federal laws.
- E. **Change of status:** You must notify MDHHS of any event that changes the status of Your family. Events that can affect the status include, but are not limited to, marriage, birth, death, divorce and entrance into military service.
- F. **Assignment:** Covered Services and/or Benefits are for the personal benefit of the Enrollee and cannot be transferred or assigned, other than to the extent necessary to allow direct payments to Delta Dental HKD Dentists.
- G. **Right of recovery:** If Delta Dental pays a Claim for which another person or company is liable, Delta Dental has the right to recover its payment from the other person or company.
- H. **Obtaining and releasing information:** While You are enrolled in HKD administered by Delta Dental, You agree to provide Delta Dental with

any information it needs to process Your Claims and administer Your Benefits. This includes allowing Delta Dental to have access to Your dental records.

- I. **Dentist-patient relationship:** Enrollees are free to choose any Delta Dental HKD Dentist. Each dentist maintains the dentist-patient relationship with the patient and is solely responsible to the patient for dental advice and/or treatment provided to the Enrollee, and Delta Dental does not have any liability resulting therefrom.
