Questions and Answers

May I choose any dentist?

No. You must choose a Delta Dental Healthy Michigan Plan EPO dentist, but you may change to another Delta Dental Healthy Michigan Plan EPO dentist at any

time. You can use Delta Dental's online HMP EPO dentist directory located at www.providers4you.com/Choice/HMP to find a Delta Dental HMP EPO dentist near you. Make sure you ask the dental office if they participate in the Delta Dental Healthy Michigan Plan EPO network when you call.

When do I have to pay for dental services?

There are no copayments in the Pregnant Women Dental program administered by Delta Dental. You do not have to pay for covered services. If Delta Dental PWD benefits do not cover a service and you would like your dentist to provide this service to you, you must pay for that service.

What should I do at the dentist?

Before you receive treatment, tell the dental office you are in the Pregnant Women Dental program administered by Delta Dental. The office needs to call customer service at 866-558-0280 for information and billing help. This is very important.

Do Delta Dental PWD benefits cover all dental services?

No. Delta Dental benefits only include the covered services listed in this handbook.

Do I need a prior authorization before receiving services?

No. Prior authorizations are not

required for any covered services for a Delta Dental PWD enrollee.

What should I do in case of a dental emergency?

A dental emergency is a service needed to control bleeding, relieve pain, get rid of acute infection, prevent loss of teeth, and treat injuries.

If a dental emergency happens, call your dental office and ask what you should do. If you currently do not have a regular dentist, call Delta Dental's customer service at 866-558-0280 to receive a list of dentists, or go to <https://www.providers4you.com/Choice/HMP> to find a dentist near you.

If you are not in Michigan when a dental emergency happens, you can call Delta Dental's customer service toll-free at 866-558-0280 for help finding a dentist. If you have a dental emergency outside of Michigan, the PWD program will cover the service even if the dentist is not a Delta Dental HMP EPO network dentist. A prior authorization is not needed for emergency services.

If the emergency is life threatening, call 911.

What if I need specialty dental care?

Delta Dental PWD program benefits cover some specialty

care. If you need a specialist, your regular dentist can help you find specialty care or you can contact customer service for help. A referral is not required for any specialty dental care. Before visiting a specialist, be sure he or she is a Delta Dental HMP EPO dentist or the services will not be covered, and you may have to pay for them.

What if there is not a Delta Dental HMP EPO dentist in my area?

With Delta Dental's large dental network, there should be a Delta Dental HMP EPO dentist in your area. In the unlikely event there is not one, please contact customer service to receive information on how to receive dental services from a local dentist.

If you receive services from a dentist who does not participate in the Delta Dental HMP EPO network when a Delta Dental HMP EPO dentist is in your area, services will not be covered. It is important to first contact customer service prior to receiving services from a dentist who does not participate in the Delta Dental HMP EPO network or you may have to pay for any services provided by the nonparticipating dentist.

Does Delta Dental have someone who can help me

with my dental care?

Yes. Delta Dental has care coordinators available to help you. Delta Dental's care coordinators can help assist you in your dental care by coordinating with your health plan or health care provider. We can also help you find a dentist that can accommodate your specific needs. Call customer service at 866-558-0280 if you need assistance.

What is an Explanation of Benefits?

Delta Dental will make an Explanation of Benefits (EOB) available to you online at www.memberportal.com. This is not a bill. This shows which services were performed and how much Delta Dental paid for your services. Please review the EOB and let us know if you think a dentist has billed for services that you did not receive. This could be fraud and against the law. Please see our fraud reporting section for more information.

Grievances and Appeals

What should I do if I have questions about a claim?

If you have questions about a claim, call customer service at 866-558-0280.

What should I do if I would like to file a grievance?

If you would like to file a grievance (also called a complaint), you can call customer service at 866-558-0280, or send your grievance in writing to:

Delta Dental
Attn: Medicaid Grievances
PO Box 9230
Farmington Hills, MI 48333-9230
Fax: 517-381-5527

Please be sure to include a full explanation of your grievance in your letter. Delta Dental will investigate your grievance and respond to you within 90 days of receiving your letter.

If your complaint involves the quality of care provided by a Delta Dental dentist, Delta Dental may refer the problem to the Michigan Dental Association Peer Review Committee. When the review is done, you will be notified in writing within 15 days.

What should I do if I would like to appeal an adverse benefit determination?

You have the right to ask Delta Dental to review our decision by asking for an internal appeal by calling customer service or in writing via fax or mail. You can ask for an internal appeal within **60 calendar days** of the date on the adverse benefit determination. We can give you more time if you have a good reason for missing the deadline.

If we are stopping or reducing a service, you can keep getting the service while your case is being reviewed. If you want to continue while your case is under review, you must ask for an internal appeal within **10 calendar days** of the date of the adverse benefit determination or before the service is stopped or reduced, whichever is later. You could be responsible for the cost of services if our decision is upheld. You can ask for this internal appeal by calling customer service at 866-558-0280 or following the steps below to send your appeal in writing.

Step 1: You, your representative, or your dentist (provider) acting as your representative must ask for an internal appeal. Your written request must include:

- Your name
- Address
- Delta Dental ID number
- Reasons for appealing
- Any evidence you want Delta Dental to review, such as medical records, dentists' letters, or other information that explains why you need the item or service. Call your dentist if you need this information.

We recommend keeping a copy of everything you send with your appeal for your records.

You can ask to see, free of charge, all documents, records, and other information used to make our decision before or during the appeal. At no cost to you, you can also ask for a copy of the guidelines we used to make our decision.

Step 2: Mail or fax your appeal to:

Delta Dental
Attn: Medicaid Appeals
PO Box 9230
Farmington Hills, MI 48333-9230
Fax: 517-381-5527

What happens next? If you ask for an internal appeal, we will give you a written decision within **30 calendar days**. If we uphold our decision or you do not receive a timely decision, you can ask for a State Fair Hearing from the Michigan Office of Administrative Hearings and Rules (MOAHR). You can also ask for an external review under the Patient Right to Independent Review Act (PRIRA) from the Michigan Department of Insurance and Financial Services. Your written decision will give you instructions on how to request a State Fair Hearing and external review.

How do I ask for an expedited appeal?

If you have an urgent situation where taking the time for a standard internal appeal could

seriously jeopardize your life, health, or ability to attain, maintain, or regain maximum function, you can request an expedited (fast) appeal by calling our customer service number. If the situation is urgent and requires an expedited appeal, we will respond within 72 hours.

How do I ask for a State Fair Hearing?

You must file an internal appeal with us before asking for a State Fair Hearing. You have **120 calendar days** from the date of your appeal denial notice to ask for the State Fair Hearing. A Request for Hearing form will be included with the notice of appeal decision that you receive from Delta Dental. It also has instructions that you should review.

Step 1: You, your representative, or your dentist (provider) acting as your representative must ask for a State Fair Hearing after you have appealed to us and received the notice of appeal decision. You can also ask for a State Fair Hearing if you do not receive a decision from us within the required time frame. Your written request must include:

- Your name
- Address
- Delta Dental ID number
- Reasons for requesting a State Fair Hearing

- Any evidence you want the administrative law judge to review, such as medical records, dentists' letters, or other information that explains why you need the item or service. Call your dentist if you need this information.

Step 2: Call 800-648-3397 to have a hearing request (complaint) form sent to you. You may also call to ask questions about the hearing process.

What happens next? The MOAHR will schedule a hearing. You will get a written notice of hearing telling you the date and time. Most hearings are held by telephone, but you can ask to have a hearing in person. During the hearing, you will be asked to tell an administrative law judge why you disagree with our decision. You can ask a friend, relative, advocate, provider, or lawyer to help you. You will get a written decision within 90 calendar days from the date your request for hearing was received by MOAHR. The written decision will explain if you have additional appeal rights.

If the standard time frame for review would jeopardize your life or health, you may be able to qualify for an expedited (fast) State Fair Hearing. If you qualify for an expedited State Fair Hearing, MOAHR must give

you an answer within 72 hours. However, if MOAHR needs to gather more information that may help you, it can take up to 14 more calendar days.

If you have any questions about the State Fair Hearing process, including the expedited State Fair Hearing, you can call MOAHR at 800-648-3397.

How does someone else act on my behalf?

When you appeal, you can name a relative, friend, attorney, dentist (provider), or someone else to act as your representative. Both you and the person you want to act for you must sign and date a statement confirming this is what you want. You will need to mail or fax this statement to us with your appeal. Keep a copy for your records.

Termination of Coverage

Enrollees will be disenrolled from PWD administered by Delta Dental if the enrollee:

- Loses Medicaid.
- Moves out of Michigan.
- Administrative reasons including—but not limited to—loss of pregnancy, incarceration, and death.

Delta Dental may ask the MDHHS to disenroll an enrollee if they act in a violent or threatening manner that does not result from the enrollee's special needs. Violent/threatening situations involve physical acts of violence; physical or verbal threats of violence made against Delta Dental dentists, staff, or the public at Delta Dental's locations, or stalking situations.

Delta Dental only pays for services while you are covered by PWD. When you lose coverage, Delta Dental benefits cover dental services up to the last day of that month.

Sometimes you may start a service that can only be finished with a series of visits. If you lose coverage before the service is finished, Delta Dental will pay for the service if it is completed within 60 days from the date that you lost coverage.

Pregnancy Care Information

Continuing with dental visits and at-home oral health care is important while pregnant, especially because typical hormone changes during pregnancy may affect a woman's oral health. Research has shown that expectant mothers with high levels of cavity-causing bacteria may contribute to low infant birth weight.

Transition of Care

Should the source of your Medicaid dental benefits change and you are concerned that, in the absence of continued services, you would suffer serious detriment to your oral health or be hospitalized, please contact Delta Dental customer service at 866-558-0280. Delta Dental can assist in making sure you receive continued services throughout your transition.

Examples of changes in the source of your Medicaid dental benefits are:

- Going from Medicaid Fee-for-Service to PWD administered by Delta Dental.
- Going from a different dental plan to PWD administered by Delta Dental.
- Going from PWD administered by Delta Dental to a different dental plan.

Community-Based Support and Services

Local resources, health events, and community organizations are available to you. They provide great programs and convenient services. Best of all, most of them are free or at low cost to you.

- Dial 2-1-1. This is a free and confidential service that will help you find local resources. This is available 24/7.
- MDHHS Beneficiary Help Line 800-642-3195 (TTY users call 866-501-5656)

Fraud, Waste and Abuse

Health care fraud, waste and abuse affects all of us. Health care fraud affects Medicaid programs by using up public funds needed to help vulnerable children and adults access health care. Everyone can take responsibility by reporting fraud

and abuse. Together we can make sure taxpayer money is used for people who really need help.

Definitions

- Abuse refers to overused or unneeded services. Abuse also includes enrollee actions that result in unneeded costs to the PWD program.
- Fraud is a false action used to get something of value.
- Waste is the misuse of services.

Examples of Medicaid Fraud, Waste and Abuse

- Billing for dental services not actually performed
- Providing unnecessary services
- Billing for more expensive services
- Billing for services separately that should legitimately be one billing
- Billing more than once for the same dental service

Please call Delta Dental's anti-fraud hotline at 800-524-0147 if you suspect your dentist has committed fraud, waste or abuse.

To report suspected fraud, waste or abuse to the State of Michigan, contact the Office of Inspector General (OIG). The OIG audits and investigates suspected misuse of Michigan's Medicaid program.
